

Addendum #3
ARROYO DE LOS CHAMISOS DRAINAGE IMPROVEMENTS, EROSION
CONTROL, AND RIVER BANK REPAIR
6/24/16

Bid # '16/39/B

Close Date: 6/28/16 2:00 P.M.

Project Manager: Melissa McDonald 505-955-6840

The following questions were asked:

1. Question #1: The bid form (Item 8-e) states that DBE Program Race Conscious Measures apply. However there are no DBE forms, or goals listed anywhere in the bid packet we received. Is this in fact a DBE project?

Answer #1: No this is not a DBE project.

2. Question #2: Is it possible to remove the requirement for each unit price to be written in words, or for the submission of TWO copies?

Answer #2: No.

3. Question #3: The Submission of Bids (pg 13 of 177) said that the bid submittal shall not be detached from the bound set of bidding documents. There were no "bound" documents, as we printed off from the download we got from the website that was provided. Please clarify if we are to print the entire RFB documents (117 pages) and include bid forms as part of a complete package, or just submit the bid forms listed on the bid form (pg 52 of 117).

Answer #3: Include entire RFP package including bid forms and addenda as part of a complete package bound or stapled.

4. Question #4: Please provide the "Addendum Dates" for Addendum #1, and Addendum #2. The bid form asks for this information, but it is not provided on either Addendum.

Answer #4: Addendum 1: 6/6/16 , Addendum 2: 6/20/16

5. Question #5: On page 23 of the specifications book, the project should last between 30 and 60 days depending upon which alternates are chosen and that it must be completed by late December 2016. What is the proposed to start date?

Answer #5: The City anticipates issuing the Notice to proceed August 16, 2016, but it is ultimately up to the contractor to decide when work will

commence, but it must be complete by 12/28/16. Schedules will be adjusted as required.

6. Question #6: Is it absolutely necessary to have the bark left on the Cedar Posts?

Answer #6: De-barking is not required.

7. Question #7: The documents listed on page 52 of 117 indicate that there are Notices to Contractor forms that should be included with bid. We cannot find those forms in the documents provided. Please include with next addendum a complete list of documents that are required as part of bid submittal, and copies of those documents if not already provided.

Answer #7: This project is not federally funded, therefore, the forms under Notice to Contractor is non-applicable.

Please submit the following:

- Bid
- Bid bond.
- Acknowledgement of Addenda.
- Properly executed Bid Form
- Subcontractor's Listing (as applicable)
